

Voluntary activities at the/during the International Day (ID)

Formalities:

A minimum of 5 pages, font size 11 pt. Arial, line spacing 1.5, margins 2,5 each side.

1. Please, introduce your activities, shortly.
2. What was your motivation for this voluntary work?
3. Which expectations did you have? And which of them have been fulfilled/met?
4. What tasks did you do?
5. How would you describe the teamwork during the preparation and at the ID itself? What worked well and what was difficult?
6. Have you had the chance to learn anything about other students' experiences abroad at the ID? Could you attend any presentations of other students? If yes, what did impress you most?
7. Did your work at the ID motivate you to visit more events about internationality or to co-organize them yourself in the future?

8. Did the teamwork with the other students and HSB employees change your perspective on your own attitude to work or on your own culture? If yes, how?

9. From your perspective, does the ID provide a good frame to share one's own experiences abroad and to inform and give advice to others?

10. Please describe a problematic, an exciting, or a nice incident from your task/activity!

11. In what way did your voluntary work improve your intercultural, communicative and/or social competence?

12. Other notes.
