

Self-Reflection Guideline – Eligible Module A

Abroad Experience

Formalities:

A minimum of 5 pages including a reference list, font size 11 pt. Arial, line spacing 1.5, margins 2,5 each side. Please find more information under: [here attach a website]

1. Please introduce briefly the university / institute, at which you have successfully completed your stay abroad.
2. What was your motivation for going abroad?
3. How did you prepare yourself?
4. What were your expectations regarding your stay abroad, and have they been met?
5. Which similarities and differences have you discovered between your native and your host culture? Were there any behavioral patterns which you could not understand? If yes, please state them.
6. How did you establish relationships with the local residents?
7. How did your stay abroad change your point of view about your native culture?
8. After your return, did your cultural experiences influence your daily life? Did they change your behavior, your attitude and values?
9. Please portray a problematic and a fascinating occasion, which has been ensued from the cultural exchange.
10. To what extent has the stay abroad fostered your intercultural competence?
11. Other remarks.
